

## NOTIFICATION

NO.PMU/PROC/01-06/2019-20. Primary & Secondary Healthcare Department (P&SHD) during fiscal year 2016-17 concluded the Procurements of various Bio-Medical Equipment/ Instruments for its Health Facilities. These Procurements were concluded at central level to bring harmony and uniformity in quality, standardization, economy of scale, efficiency in provision of equipment as well as execution of repair, maintenance and after sale services will be carried out uniformly. The rates of equipment were finalized with standard and extended comprehensive warranties so that maximum uptime along with efficient and timely repair and maintenance of equipment can be ensured at economical rates. During the Procurement process, different firms quoted different costs of extended warranties.

2. It has been noted that standard warranty period of some of the equipment has been expired and extended warranty period has been started. It has also been noted that some of the firms are reluctant to provide extended warranty services for the extended warranty period of the equipment as agreed in the Contracts/ Bidding Documents/ Notifications. The competent authority hereby desired to reiterate the approved extended warranty cost of the Equipment purchased centrally during 2016-17 along with details i.e. Name of Equipment, Make & Model of Equipment, Contracted Firm, Installation dates (attached at Annex-A) to all the field formations for information, implementation & strict compliance. The same is also uploaded on the official website of Primary & Secondary Healthcare Department [www.pshealthpunjab.gov.pk](http://www.pshealthpunjab.gov.pk) as well PMU [www.pnuhealth.gov.pk](http://www.pnuhealth.gov.pk).

3. The list of equipment supplied by P&SHD along with approved rates (in PKR including all taxes) of warranty of equipment is mentioned below:

SR. NO	NAME OF EQUIPMENT	MAKE/ MODEL	SERVICE PROVIDER	WARRANTY YEAR	WARRANTY COST (PKR PER UNIT)
1	Semi Auto Clinical Chemistry Analyzer	Diatron ML/ Pictus B	M/s Seico Scientific 104 Muhamdia Plaza, Gordon College Road, Rawalpindi	2nd Year	30,000
				3rd Year	30,000
				4th Year	30,000
				5th Year	30,000

4. The cost of extended comprehensive warranty period shall be paid by the concerned health facility at the end of each year after the successful completion of standard warranty period of the equipment. In case where the extended comprehensive warranty period has been specified as "Free of Cost", no payment shall be made to the firm and the firm will maintain the equipment as per standard warranty period. The salient points are as under;

- 1) A Log Book for the equipment shall be maintained by the Supplier Service Engineer in consultation with the end user department. This will include the name of the equipment, down time, preventive maintenance schedule, replacement of parts, down time etc. (Template of Logbook is attached at Annex-C)
- 2) The warranty shall start from the date of equipment (properly installed as per contracted specification and handing over of related documents and will last for its warranty period at 95% uptime).

- 3) The maintenance will be the responsibility of the Service Provider/ Manufacturer/ their agent. An annual optimal uptime of 95% is considered as acceptable level of performance.
- 4) Software and hardware up gradation of the computing system should be carried out as available during warranty period as recommended by the manufacturer.
- 5) Manufacturer/Service Provider shall be responsible for rectifying with all possible speed at their own expense any defect or fault in the system which may develop at any time during installation, commissioning period.
- 6) Manufacturer will ensure the availability of spare parts and accessories for the system for ten years.
- 7) Uptime shall be defined as the time available to the user for doing procedures/ data acquisition and processing during working hours throughout the year except holidays (from 9.00 am to 5.00pm).
- 8) Manufacturer /Service Provider shall check system performance during and after every 4-months. An "Optimal Percentage" will be calculated by dividing "System in Service" hours by hours available, both measured on the basis of working hours as detailed above.
- 9) If the uptime percentage for the measurement period (04-months) shall fall short of 95% the following formula will be applied to determine additional days in the warranty / service contract period;
  - a) 100%-95% No Penalty
  - b) 95%-90% The warranty period will be extended to 2.0 times the number of days as extra down time.
  - c) 90%-80% The warranty period will be extended to 3.0 times the number of days as extra down time.
  - d) Below 80% The warranty period will be extended to 4.0 times the number of days as extra down time.
- 10) Down time is defined as the failure in the equipment operation to acquire or process the data or procedure, resulting in inability to carry out the required procedure properly.
- 11) Down time will start when the end user/ Staff In-charge notifies the designated service facility verbally or in writing.
- 12) Down time will end once the repairs have been affected and the system is again available for use.
- 13) The contracting firm will be bound to make arrangements for availability of qualified technical staff in hospital/ site for prompt execution/ coordination of after sale services.
- 14) The End User may sign an MOU with the concerned firms at the notified rates of warranty. Furthermore, the extended comprehensive warranty shall be implemented by the end user (Medical Superintendent / Chief Executive Officer (CEO)) of the concerned Health Facility at the rates notified by the department against the specified equipment on yearly basis subject to observance of 95% uptime.

- 15) The penalty shall be imposed both in terms of extension in warranty period and/or imposition of liquidated damages. In case of short fall of uptime i.e. 95%.
- 16) In case of any query/compliant regarding warranty management, please contact Bio-Medical Equipment Resource Centre's Helpline 1454 for assistance. Moreover following focal persons of Procurement Cell of P&SHD, Procurement Wing of Project Management Unit & Bio-Medical Equipment Resource Centre are hereby notified for assistance please;

Name of the Equipment:	4 - CENTRAL MEDICAL GAS PIPELINE SYSTEM
------------------------	---

Sr. No.	Particulars	TOTAL TECHNOLOGIES		
		Brand	BEACON MEDAES (Atlas Copco)	
3		Make	UK	
5		Unit		PKR
6		C & F	GBP	
i-a	Automatic Manifold for Oxygen 2x2 without Cylinders		3,140	
i-b	Automatic Manifold for Oxygen 2x3 without Cylinders		3,462	
i-c	Automatic Manifold for Oxygen 2x5 without Cylinders		3,913	
ii-a	Gas Outlets-Terminal Unit For Oxygen		38	
ii-b	Gas Outlets-Terminal Unit For Nitrous Oxide		38	
iii-a	Bed Head Units (1.5 m)		585	
iii-b	Bed Head Units (1.0 m)		533	
iv	Venturi Suction Regulator (Hersill Supplied by BeaconMedas)		127	
v-a	Oxygen Flow Meter with Humidfier and Probe (5 L) (Hersill Supplied by BeaconMedas)		57	
v-b	Oxygen Flow Meter with Humidfier and Probe (12 L) (Hersill Supplied by BeaconMedas)		57	
vi-a	Alarm System for two Gases		478	
vi-b	Alarm System for Ward		293	
vi-c	Valve Box		370	
vii-a	Medical Grade Copper Piping (10 mm) (Supplied by BeaconMedas)	per meter	2.80	
vii-b	Medical Grade Copper Piping (12 mm) (Supplied by BeaconMedas)	per meter	2.90	
vii-c	Medical Grade Copper Piping (15 mm) (Supplied by BeaconMedas)	per meter	4.19	
vii-d	Medical Grade Copper Piping (22 mm) (Supplied by BeaconMedas)	per meter	6.99	
7		DDP		PKR
i-a	Automatic Manifold for Oxygen 2x2 without Cylinders			525,000
i-b	Automatic Manifold for Oxygen 2x3 without Cylinders			578,000
i-c	Automatic Manifold for Oxygen 2x5 without Cylinders			645,000
ii-a	Gas Outlets-Terminal Unit For Oxygen			6,308

ii-b	Gas Outlets-Terminal Unit For Nitrous Oxide			6,308
iii-a	Bed Head Units (1.5 m)			97,000
iii-b	Bed Head Units (1.0 m)			85,000
iv	Venturi Suction Regulator (Hersill Supplied by BeaconMedas)			21,082
v-a	Oxygen Flow Meter with Humidifier and Probe (5 L) (Hersill Supplied by BeaconMedas)			9,462
